

## Letter Of Recommendation

Dear Respected HOD  
Of Sardar Patel Institute of Technology

I am writing this letter to highly recommend shantanu, a student at Sardar Patel Institute of Technology, for their volunteer work with our NGO for total of 2 hours, an organization that provides education to underprivileged children. I have had the pleasure of working with shantanu as their supervisor and can attest to their strong commitment to making a difference in the lives of others.

shantanu possesses a rare combination of intelligence, passion, and drive, which makes them an asset to any organization. I am confident that their volunteer work such as Tuesday Teaching with our NGO will have a lasting impact on the lives of the children they serve.

I strongly recommend shantanu for any future opportunities in the field of community service, particularly in the area of education. They have my full support, and I am confident that they will make a positive contribution to any organization they work with.

Please feel free to contact me if you require any further information.

Sincerely,  
Shantanu  
Vice-President
